T391

Mid-size walk-behind scrubber-dryer

Productive and comfortable to operate
Get a lot of return on value with a mid-size scrubber with wide scrub head and large tank capacity. Featuring a simple control panel, comfortable ergonomics, and straight-forward operation. Daily cleaning routine is made easy due to large recovery tank access, easy spin-on, spin-off brush/pad replacement and yellow touchpoints. Perfect for mid-size retail stores, and schools.

Available technologies

Worry-free operation and maintenance with optional lithium ion batteries.

Productivity boost
Get more cleaning done compared to smaller scrubbers with wide scrub path and large solution tank capacity.

Comfortable & easy to maneuver
Maintain operator health and safety with great maneuverability, and maximize comfort with adjustable controls.

Sustainable performance
Reduce noise levels and water consumption while increasing run-time with ECO mode.
