EVOLVE YOUR BUSINESS FROM THE FLOOR UP

X4 ROVR
AUTONOMOUS SCRUBBER DRYER

Our most nimble autonomous scrubber dryer is designed to support your staff, so they can focus on more valuable, hands-on tasks and aids in enhancing their professional expertise.

- Easy integration with your existing floor protocols.
- Help re-energize and upskill your staff.
- Reveal untapped returns in your operations.
- Support throughout the robot's lifetime from our Factory-Direct Service and Customer Success teams.

Built for productivity in many spaces
The X4 ROVR's differential, dual-drive propulsion system nimbly handles small and congested spaces, allowing it to get the job done with minimal disruption to staff and visitors.

Unlocks new returns on clean
Get the most out of cleaning by giving your team diverse and adaptable options. This shift introduces your employees to a tech-centered cleaning approach, and helps reinforce job satisfaction.

Simple to train, easy to trust
Get up and running quickly with support from our cross-functional Sales, Factory-Direct Service and Customer Success team. With over 6,500 robotic deployments, we've honed a proven method for your triumph.

Made to help empower employees
Let the robot handle the floors, freeing up your staff for other tasks—its near zero assist autonomy makes it a reliable efficiency booster.

SMALL SIZE.
BIG WORK ETHIC.

Color changing status light
Provides visual information regarding machine status.

Front 3D LiDAR
Enhances visibility for increased autonomy.

Intuitive controls
Ensure ease of use and efficiency for operators.

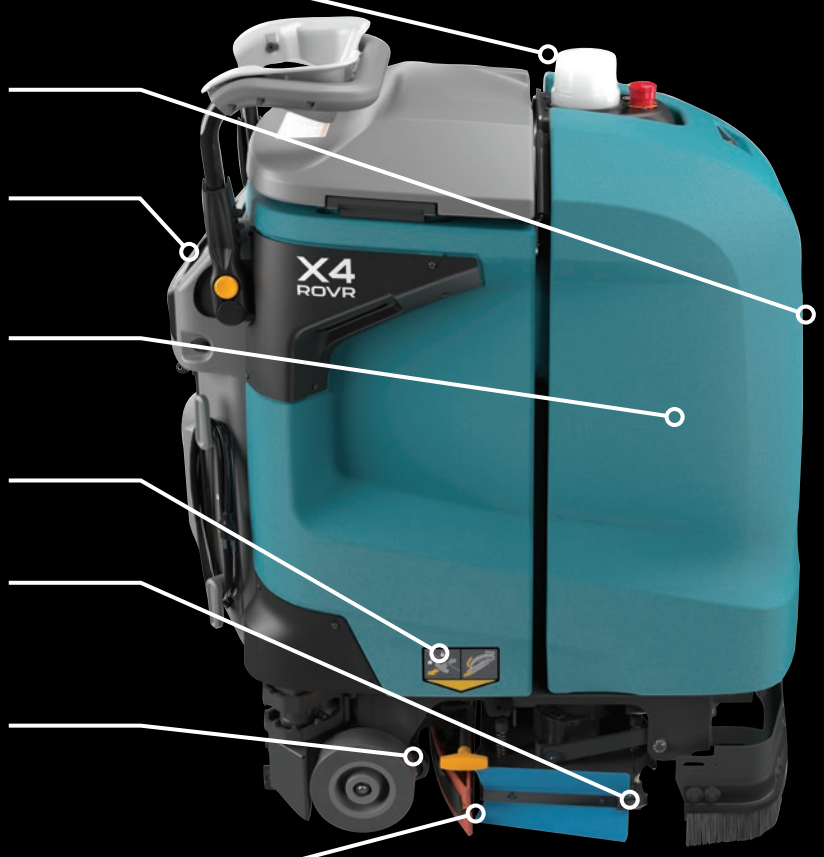

Lithium-ion batteries with 5-year warranty + on-board charger
For maximum charging flexibility.

Color-coded touch points
For ease of training and maintenance.

Insta-Click™ brush attachment
For easy and safe brush and pad maintenance.

Squeegee + recovery system
Provides optimal water pick-up, helping to keep floors dry.

No-tool brush + squeegee blade replacement
Maintain squeegee and pads in less than 2 minutes.
